CombinACTION!

PRINT-AND-PLAY EDITION

The free-for-all game where colors make suits, suits make points, and points make wins!

1 to 6 players · ages 8 and up · about 3 minutes

WHAT'S IN THIS FILE

- **102 game cards:** 63 color cards (21 each of yellow, red and blue), 28 suit cards (7 of each suit) and 11 point cards.
- **6 rules cards,** printed on both sides: the complete rules, and two variants, Clean Sweep and Beat the Clock, for one player.
- 12 sheets of nine cards, each followed by a page of their backs.

HOW TO PRINT

1. Print at **100%** (“actual size”), not “fit to page”. This file is for US Letter paper; there is an A4 one at flightbulb.games.
2. With a duplex printer, print everything **double-sided, flipping on the long edge**, so each sheet's backs land behind it.
3. Without one, print pages 3, 5, 7, 9, 11, 13, 15, 17, 19, 21, 23, 25 for the fronts, and page 4 for the rules cards' other sides: glue each behind its card, or keep them as a loose rules sheet. The game cards play just as well with plain backs.
4. Cut along the crop marks. The cards sit edge to edge, so one cut separates two. Card stock, or sleeves with an old card behind each, makes them easier to shuffle and grab.

This page is left blank, so that each sheet's backs print behind it.

1 GAME OVERVIEW & OBJECTIVE

1.1 Components

102 cards: 63 color cards (21 each of yellow, red and blue), 28 suit cards (7 of each suit) and 11 point cards.

1.4 The Cards

Colors mix into suits the way paints do, and suits combine into point cards. Each card's corners show its recipe.

Suit	Made from
♣ Club	yellow + blue
♥ Heart	red + yellow
♦ Diamond	blue + red
♠ Spade	yellow + blue + red

2 PLAYING THE GAME

2.1 Setup

Shuffle all the cards and deal them face down into piles of six. Deal the piles out evenly: keep yours at the bottom or the right of your area. Any left over go in the very middle of the table, the center.

Turn over ›

2.2 Taking Cards

There are no turns: everyone grabs and plays at once, as fast as they can.

- **Take a pile** only when your hand is empty: your own first, then the center's. Its six cards are your hand.
- **Take a card from the center** at any time.

There is no hand limit.

Turn over ›

Played cards stay put: they can't be discarded, and stacks can't be split. You may hold cards you can't play yet.

2.4 The Center

The discards go around the leftover piles, face up and sorted: suits on their suit, and each point card on its own.

3 VARIANTS

3.1 Clean Sweep

Discard face up to a pile of your own at the top of your area, instead of to the center. When your hand is empty, you may take another player's whole discard pile instead of a pile. You can't take your own, or single cards.

Turn over ›

Mid-game: each player's piles at the bottom of their area, and the leftover pile in the center with the discards around it.

1.2 Players

Two to six; more with a second box of cards.

1.3 Objective

Race everyone else to mix colors into suits and suits into point cards. There are no turns: everyone plays at once. The highest total of point cards wins.

Rules card 2 ›

3.2 Beat the Clock

Play alone against a 3-minute timer, with 7 piles dealt to you and the rest put away. Yell **"CombinACTION!"** once your piles are gone, your hand is empty and nothing in the center can be played. In time, deal two more piles next game; too late, and your score is the games you won. Win with all 17 piles to beat the Clock. With more boxes, multiply the piles and the minutes by the boxes.

Rules card 6 ›

2.5 Ending the Game

When all the piles are gone, any player with an empty hand can yell **"CombinACTION!"**, and the game ends at once.

2.6 Scoring

Add up your point cards; the highest total wins. Colors and suits score nothing. Tied players share the win.

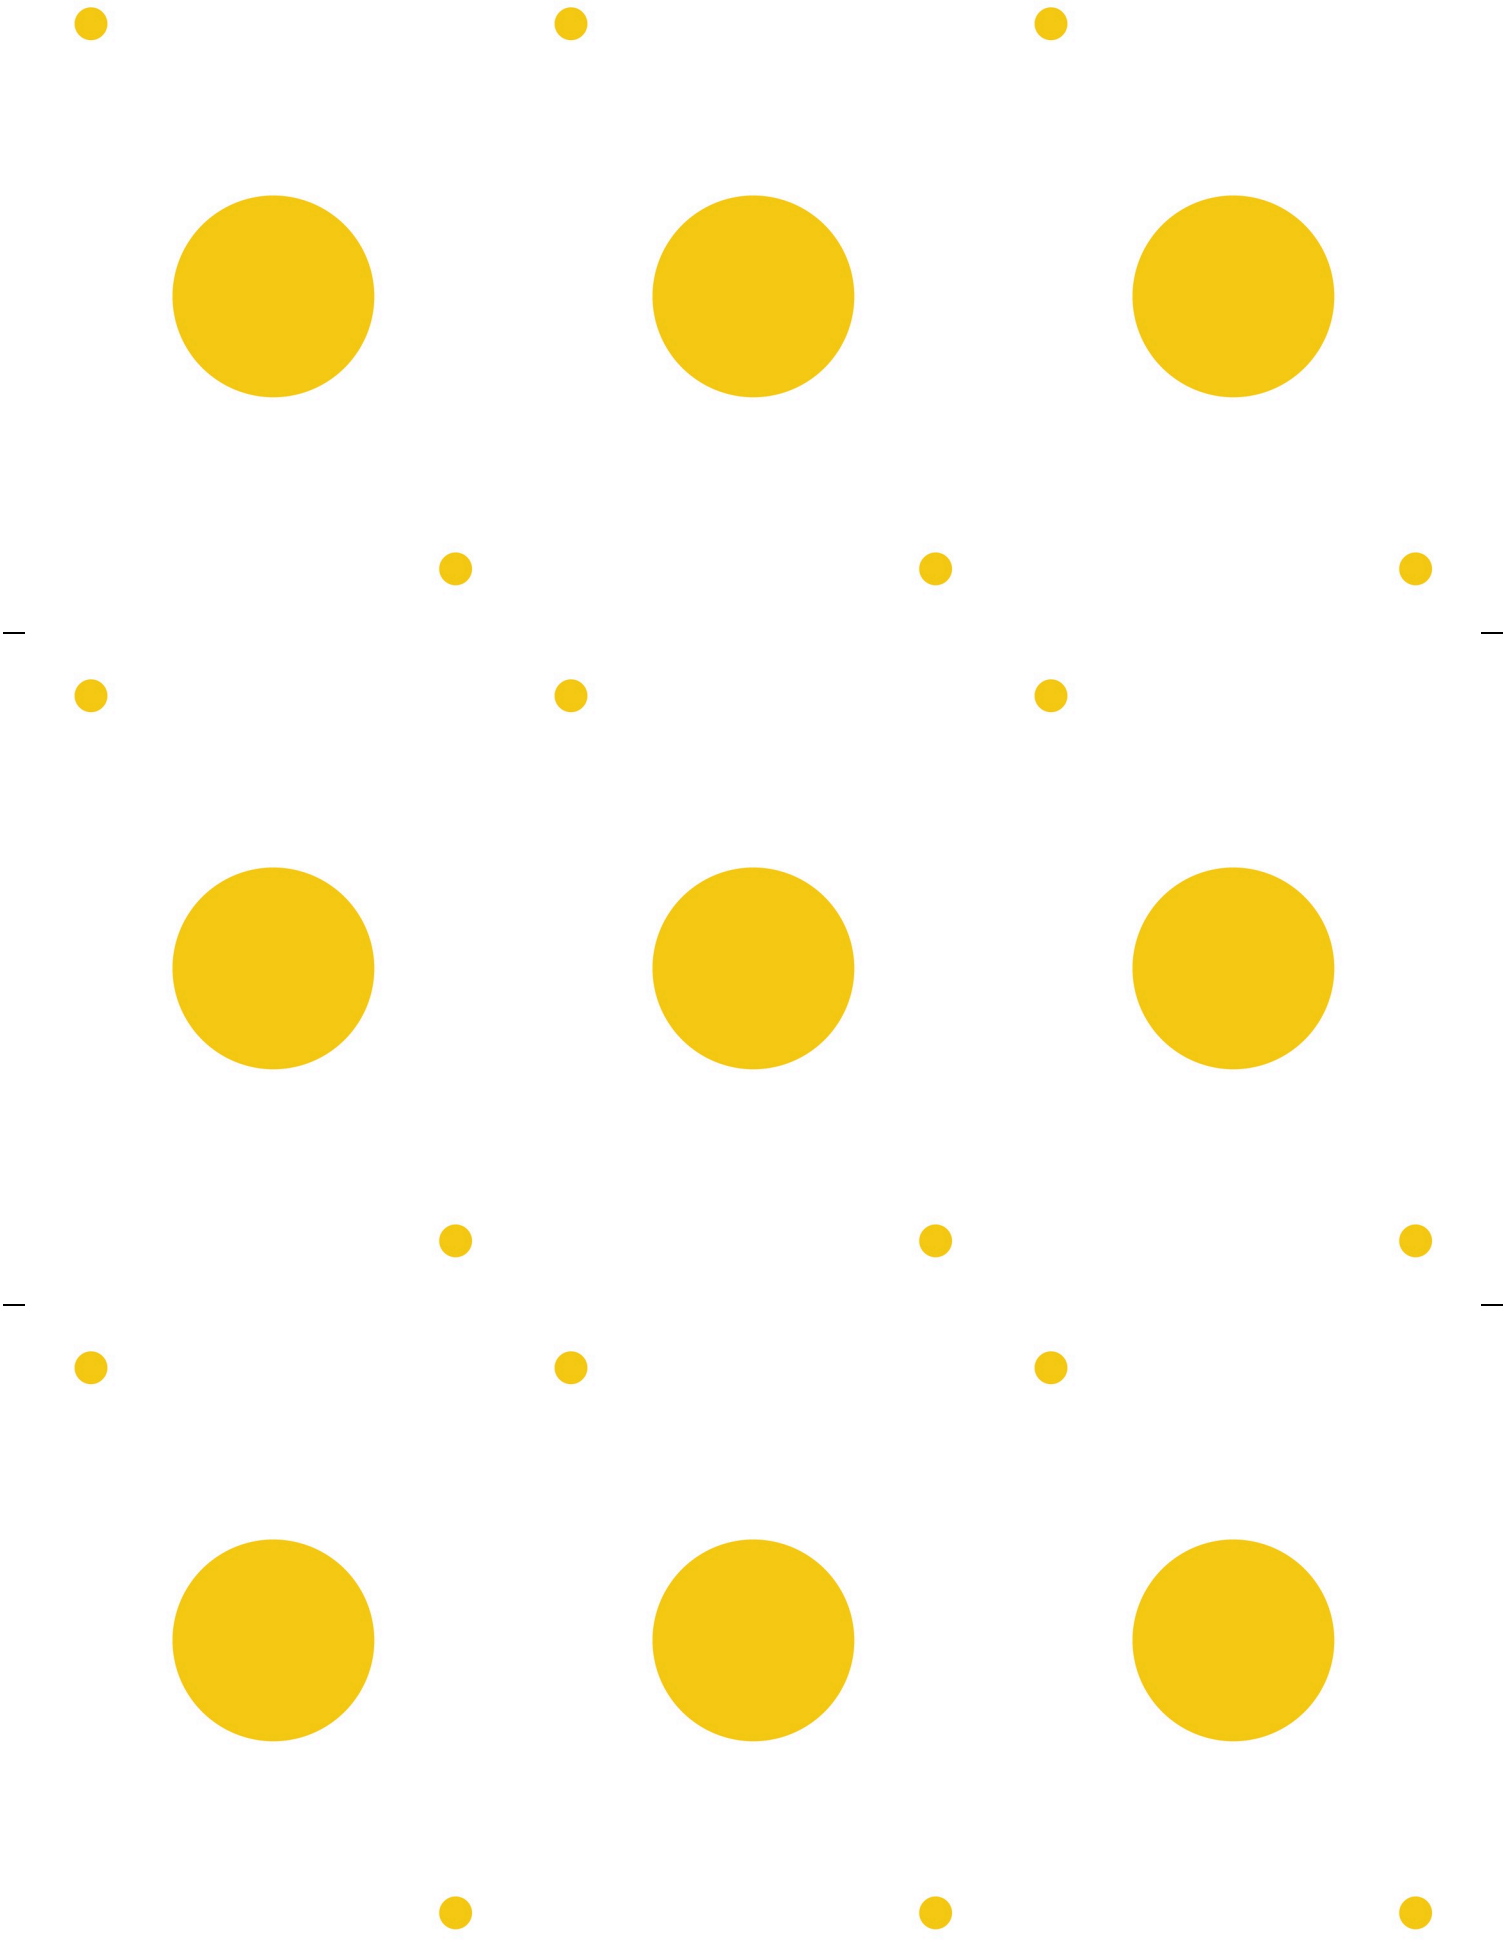

Rules card 5 ›

2.3 Playing Cards

Play each card to your area in front of you, or discard it to the center.

- **Colors** are always played, never discarded.
- **Suits** need their colors in your area: tuck the colors under the suit.
- **Point cards** need their suits in your area: tuck the suit stacks under the point card.
